Coastal News Article Index – Issues 1-86 (July 1993 - April 2025)

This index lists all articles published in *Coastal News*, but does not include recurring items (such as Regional News, Government News, University News, and Word from the Chair) or short items (such as News in Brief, Sand Bites and Web finds).

Content is given as: Title | Author(s) | Issue Date | **Issue number:** *page number(s)*

'Aotea Fault' discovered in Wellington Harbour	CN Editor	October 2014	57: 8
'Care' approach encourages user appreciation	Dahm, J	December 1994	3: 1, 3
11th Australasian Conference on Coastal and Ocean Engineering (review)	Hume, T & Bell, R	April 1994	2: 3
2003 National Coastal Survey: Assessing community understanding and participation in coastal management in New Zealand	CN Editor	April 2003	22: 8
2017 NZCS Conference review	Ivamy, M	March 2018	65: 9
9th International Coastal Symposium 2007 (review)	Hart, D	June 2007	35: 7
A			
A 'Sustainable Auckland' needs good quality beaches	Hume, T & Brookes, H	November 2001	18: 12
A coastal scenic assessment of the North Canterbury coast	Langley, R & Hart, D	February 2007	34: 1-3
A different approach to coastal strategy consultation	Poutasi, N	July 2005	29: 14-15
A National Coastcare Programme for NZ?	Walton, J	June 2003	23: 10
A new beach for Wellington?	Opus	February 1998	10: 10-11
A new looking glass – unlocking sediment records to understand the past and plan for the future	Biswell, S	July 2012	50: 1-3
A new technique for examining palaeotsunamis arrives on New Zealand shores: the anisotropy of magnetic susceptibility	Gomez, C & Hart, D	August 2011	47: 7-8
A new tool for assessing the health of New Zealand's estuaries	Clark, D, Hewitt, J, et al.	July 2020	72: 12
A New Zealand coastal book – at last	Brake, L	November 2002	21: 7
A note on coastal management	Lumsden, J	December 1995	5: 4-5
A surge of spurge? Assessing the invasive risk of <i>Euphorbia paralias</i> in New Zealand	Rawlyk, M	March 2018	65: 7-8
A vision/moemoea for the future of the Wairoa coast	Brake, L	November 2003	24: 6-7
A wonderfully illustrated bulletin on coastal dunes	CN Editor	February 2001	16: 7
Action on Auckland's CBD waterfront	Coombes, K	November 2008	39: 6-7

Adapting shorelines – a reflection of managed realignment at Muriwai
 Advanced numerical modelling of moored vessel motions
 Advances in research and management of surfing resources
 Alternative Method of Gravel Extraction at South Beach, Timaru
 An artificial surfing reef for the Mount
 An East Yorkshire perspective on coastal management in the UK
 An improved management regime for vehicles on Northland beaches
 An insight into underwater marine surveying
 Annual Report of the New Zealand Coastal Society Inc (2001-2002)
 Annual report of the New Zealand Coastal Society Inc. (2002-2003)
 Annual Report of the New Zealand Coastal Society Inc. (2003-2004)
 Applying coastal hazard setbacks and spatial accuracy
 Aquaculture – looking to the future
 Aquaculture – why all the fuss?
 Aquaculture Amendment legislation
 Aquaculture into the classroom
 Aquaculture news
 Aquaculture variations to the proposed Auckland Regional Plan: Coastal
 Artificial reefs offer coastal protection
 Assessing the impact of developments at Port Taranaki
 Assessing the use of satellite derived bathymetry to simulate storm surge in New Zealand estuaries
 At the mouth of the Rakaia River
 Auckland's sand sources under close scrutiny
 Australasian Coasts & Ports 2015 (conference review)
 Australasian geographers gather in Dunedin

B

Bay of Plenty beach profile monitoring 1990-2006
 Bay of Plenty: Building a world-class aquaculture region
 Beach replenishment project at Torrent Bay (photo essay)
 Beach scraping and dune repair at Whangapoua Beach
 Biodiversity assessment to guide marine conservation

Carpenter, N & Klinac, P	August 2015	59: 6-7
Høvelt, P	March 2009	40: 8-9
Atkin, E	November 2021	76: 9-11
Todd, D	April 1997	8: 6
Mead, S	September 1999	13: 7
FitzGerald, T	June 2006	32: 10-11
CN Editor	November 2008	39: 1-2
Sharp, D	November 2003	24: 20
Brookes, H	November 2002	21: 11-12
Brookes, H	November 2003	24: 5
Brookes, H	November 2004	27: 6-7
Liefting, R & McNeal, H	March 2009	40: 15-16
Lees, D	November 2011	48: 10
Silver, G	March 2009	40: 18-19
Devine, R	November 2008	39: 9
CN Editor	June 2008	38: 12
Biswell, S	February 2008	37: 6
Pardy, S	April 2003	22: 5
Mead, S	March 2005	28: 1-3
Atkinson, P	December 1994	3: 6
Costa, W, Bryan, K & Coco, G	November 2020	73: 8-9
Biswell, S	July 2013	53: 1-2
Benson, A	March 2005	28: 8
Bell, J	November 2015	60: 4-8
Hilton, M	July 2001	17: 13

Iremonger, S	October 2007	36: 6-7
CN Editor	June 2010	44: 9
Verstappen, E	November 2015	60: 15
Robinson, A & Dahm, J	March 2010	43: 6-8
Lundquist, C & Leathwick, J	February 2008	37: 15-17

Biodiversity offsetting and compensation in the marine environment	Alestra, T & Bell, J	November 2021	76: 7-8
Biodiversity offsetting and compensation in the marine environment: Further reflections from a regional council officer's perspective	Steer, J & Oliver, M	March 2022	77: 8-9
Blasting reefs key to nation's development	Ramsay, D & Kaly, U	March 2004	25: 1-3
Blue Flag flies high at Westhaven Marina	Brookes, K	March 2006	31: 18
Bringing the concept of risk to managing the coastal 'environment'	Harris, R	April 1996	6: 4, 5, 7
Bubbling up with solutions to biofouling	Biswell, S	August 2016	62: 1-2
Building a brighter future for the people of Bua in Fiji	Frankland, R	July 2005	29: 7

C

C-SIG Species Keys – Coastal Taxonomic Resource Tool	Mills, S	November 2023	82: 10-11
Cam-Era — Computer controlled monitoring of the coastal environment	Hume, T	February 1998	10: 5, 12
Can MHWS be defined?	Bell, R	February 2007	34: 6-7
Canterbury coastal storm event 19-22 July 2001	Cope, J	March 2002	19: 2
Canterbury river mouths seminar	Jenkins, B	November 2011	48: 15
Canterbury wave monitoring network	McSweeney, S	November 2023	82: 13
Caring for Our Coast (guide review)	Pearl, R	March 2014	55: 10
Case study: Sumner Coastcare Project, Christchurch	Orchard, S	April 2016	61: 10-11
Cawthron scientists research drivers of black coral distributions in New Zealand fiords	Biswell, S	August 2015	59: 1-2
Chairman's notes	Duder, J	August 1997	9: 1-2
Championing our coasts	Biswell, S	March 2013	52: 1-3
Changes in Sea Level: IPCC Second Scientific Assessment: Chapter 7 Summary (extract)	Warrick, R, et al.	April 1996	6: 2, 5
Changing coastal values	Lumsden, J	March 2006	31: 13-14
Circumnavigating Aotearoa: James Cook's charting of New Zealand	Duder, JN	March 2019	68: 6-7
Classifying New Zealand's estuaries and EEZ	Hume, T, Liefting, R, Snelder, T & Hicks, M	July 2001	17: 3-5
Climate change and coastal erosion – what is the link?	Dickson, M	July 2005	29: 4-5
Citizen science to boost community resilience amid increasing climate pressures	Shibahara, K & Serrano, A	April 2025	8686: 6-7
Climate change watch	CN Editor	March 2014	55: 4-5
Closure and mobility of coastal outlets: West Coast, South Island	Neale, D	October 2013	54: 4-5
Coast Care — Bay of Plenty	Jenks, G	February 1998	10: 8-9
Coast Care Update	White, M	April 1997	8: 3
Coast care: A coastal management programme for Christchurch	CN Editor	April 1996	6: 1

Coast to coast '96 (conference report)	Fahy, F	August 1996	7: 4
Coastal change and monitoring of natural character in the Auckland Region	Baverstock, K	March 2002	19: 10-11
Coastal cliff erosion near Oamaru	Dickson, M, Hicks, D & Bind, J	October 2007	36: 1-3
Coastal Dune Vegetation Network Conference 2001 'Contrasting coastlines' (review)	Gainsford, D	July 2001	17: 5-6, 10
Coastal Dune Vegetation Network Conference 2002 'The Wild West Coast' (review)	Gainsford, D	March 2002	19: 8-9
Coastal Dune Vegetation Network February 2003 (conference review)	Hilton, M	April 2003	22: 20
Coastal Dune Vegetation Network holds first AGM	Ede, F	July 1998	11: 6
Coastal erosion – can it really be 'managed'?	Britton, R	July 2002	20: 10-11
Coastal erosion mapping exposes erosion issue at Tiwai Point	Ford, M	July 2021	75: 11-12
Coastal Explorer maps coastal sensitivity for New Zealand	Hume, T, Goodhue, N, et al.	March 2013	52: 9
Coastal Explorer: A portal for information about New Zealand's coastal environment	Hume, T, Rickard, D, Ramsay, D & Shankar, U	June 2009	41: 3-4
Coastal hazard zone determination	Healy, T	April 1994	2: 4
Coastal Hazards – Tauranga District	Brake, L	March 2002	19: 14
Coastal Hazards — Tauranga District (update)	CN Editor	November 2002	21: 10
Coastal hazards and climate change	Gray, W, King, J, Ramsay, D & Bell, R	November 2008	39: 3
Coastal hazards database	Brookes, H & Boak, L	July 1998	11: 1-2
Coastal hazards theme of Society's second seminar	Lumsden, J	June 1995	4: 3
Coastal hazards: Are we managing (Coastal Society seminar 1995 review)	Spence, H	December 1995	5: 1
Coastal impacts, dynamics and change: Insights from North Carolina to New Zealand (seminar review)	Hart, D	April 2011	46: 4
Coastal issues in the deep south	Murray, K	February 1998	10: 9
Coastal landforms as assets, fordune notching, St Kilda Beach, Dunedin	Simons-Smith, T	March 2019	68: 13-14
Coastal landslides in Palu Bay during the 2018 Sulawesi earthquake and tsunami	Higuera, P	July 2020	72: 10-11
Coastal litter monitoring in Northland	Bamford, N	March 2022	77: 6-7
Coastal management in South Africa	Heydenrych, C	December 1995	5: 3-4
Coastal occupation charging	Hill, G	April 2003	22: 6
Coastal Planning and Development Forum (review)	Rennie, H	March 2012	49: 7
Coastal plant fact file: Pingao	Loader, P	October 2014	57: 7
Coastal policy statement update	Jacobson, M	April 1994	2: 6

Coastal quakes – observations and analyses from backyard Christchurch to 21st century coastal megacities	Hart, D & Gomez, C	October 2013	54: 1-3
Coastal research: Waikato University Geography Department	Rennie, H	July 1998	11: 4
Coastal remote sensing: Examining the potential for coastal monitoring using UAV ('drone')	Quilter, P	March 2019	68: 8
Coastal remote sensing: Techniques for mapping coastal, river and lake environments	Stubbing, D	March 2019	68: 8-9
Coastal remote sensing: Dipping the ocean	Perwick, M	March 2019	68: 9
Coastal Society seminar – 'Coastal conflicts: smoothing troubled waters'	Duder, J & Ridgen, J	February 2000	14: 1-4, 5
Coastal water quality management in New Zealand: A case for national water quality standards?	Roberts, J	August 1996	7: 6, 8
Coastal zone management – The Kapiti experience	Lumsden, J	August 1997	9: 3
Coastal Zones and Climate Change (symposium review)	Britton, R	June 2010	44: 19
Coastcare in Australia	Clarke, B	July 2002	20: 4-5
Coastcare in New Zealand	Dahm, J	July 2002	20: 6-7
Coastline survey — beach hazard ratings	CN Editor	July 1998	11: 11-12
Coasts and Ports 2001 (conference review)	Gorman, R & Bell, R	November 2001	18: 18
Coasts and Ports 2005 (conference review)	Brake, L	October 2005	30: 12
Coasts and Ports 2007 (conference review)	Laing, A	October 2007	36: 11
Coasts and Ports 2009 (conference review)	Coombes, K	October 2009	42: 7-8
Comical stories point to wide misunderstanding	Reinen-Hamill, R	December 1994	3: 5
Communities caring for the coast	CN Editor	October 2005	30: 4
Communities caring for the coast: YHA Young Conservationist Awards	CN Editor	March 2004	25: 18
Community involvement in coastal management – impressions from the EDS conference	Steenson, M	August 2011	47: 4
Community-based coastal monitoring	Rickard, D	November 2008	39: 4-5
Condition assessment of coastal structures within Tauranga Harbour	Ivamy, M	June 2009	41: 7-8
Consenting existing coastal protection structures	Loomb, C	November 2004	27: 10-11
Contractor ordered to remedy damage	CN Editor	February 1998	10: 4
Controlling the invasion of Spartina	Lambert, S	July 2004	26: 12-13
Crowdsourcing tsunami observations in Aotearoa following the Hunga Tonga-Hunga Ha'apai eruption	Lawson, R, Potter, S & Clark, K	November 2022	79: 6-8
Cyclone Fehi impacts on the South Island West Coast	Neale, D	August 2018	66: 9-10
Cyclone Gabrielle, more to come?	Noll, B & Andrews, C	July 2023	81: 3-6
Cyclone Gabrielle: Regional reports	Various	July 2023	81: 7-13
D			
Defining nature-based solutions for coastal climate change in Aotearoa New Zealand	Orchard, S	July 2022	78: 3-5

Development of a simple tool for predicting extreme water levels in Tauranga Harbour	Haughey, R, Baunton, P, Shand, T & Hansen, R	August 2018	66: 15-16
Development of coastal hazard risk indicators for the Bay of Plenty Region	Gordon, D	March 2006	31: 8-12
Dispersal of dredging plumes in Tauranga Harbour: A field study	Cussioli, M, Bryan, K, Pilditch, C & de Lange, W	August 2016	62: 6-9
<i>Dong Won 529</i> meets the Breaksea Group	Murray, K	September 1999	13: 1-2
Double trouble: How often do large waves occur with high water levels?	Ramsay, D & Stephens, S	June 2006	32: 4-5
Dusting off the Simpson archives	Steel, P	February 2000	14: 10-11
E			
E-SUDS – The next sedimentation super tool	Parkes, S, MacDonald, I, et al.	November 2023	82: 5-6
East Coast beaches suffer in the June-July 2000 Storms	Smith, K	September 2000	15: 10-11
East End Beach, New Plymouth Coastal Protection Works	Armstrong, K	August 1996	7: 2, 7
Eastland Port: Upgraded stormwater treatment (with a whiskey chaser)	Redpath, H	March 2019	68: 15-16
Ecosystem services based approach to coastal management in New Zealand	Payne-Harker, H	November 2017	64: 8-9
Effects of sediment accumulation on the productivity of habitat-forming seaweeds	Ainley, E	July 2013	53: 6-7
Engaging high school students in coastal issues using citizen science	Ryan, E, Becker, J & Boersen, K	November 2017	64: 6-7
Engineering with nature (interview)	Biswell, S	August 2015	59: 8-9
Enhancing the resilience of coastal ecosystems to relative sea-level change	Orchard, S	March 2021	74: 6-8
Environment Waikato maps vegetation in west coast estuaries	Felsing, M	July 2005	29: 12-13
Environmental defence on the coast	Peart, R	March 2004	25: 6
Environmental education: Yes, it is relevant to coastal management!	Rosier, J	July 1998	11: 10-11
Environmental impact assessments for offshore wind farm developments	Gibberd, B	July 2005	29: 19
Environmental performance indicators for the marine environment	Linwood, M	July 1998	11: 14-15
Eradicating <i>Undaria</i> from Big Glory Bay – programme update	Stuart, M & O’Callaghan, M	February 2000	14: 8-9
Estuary management in New Zealand – insights from a study tour	Scally, J	March 2018	65: 4-5
Evaluation of the New Zealand Coastal Policy Statement	Rosier, J	July 2004	26: 15-17
Experimental study of tsunami generation by short-lived underwater volcanic eruptions	Shen, Y, Whittaker, C, et al.	July 2021	75: 18
Extension of controls for development in coastal hazard zones	Bridgewater, G	March 2002	19: 1
